

CONNECTIONS NEWS – “Discover Your SHAPE” Workshop Coming to Stepping Stones this September!

The **Discover Your SHAPE** workshop helps participants see how God has prepared them for ministry in many different ways:

Spiritual Gifts
Hearth (Passions)
Abilities (Skills & Talents)
Personality
Experiences

The **Discover Your SHAPE** workshop also guides people to find the biblical answers to questions like these:

- Isn't ministry the responsibility of the Pastors?
- How important is ministry?
- How does knowing my SHAPE help?
- What steps can I take to find my ministry?

Stepping Stones ABF (Adult Bible Fellowship) meets every Sunday morning at 9:30 in the Fellowship Hall on the lower level of the church building. These 25-45 year old adults (singles and couples) are a group of people that enjoy sharing family news and Bible study each week. They host other events as well just for fun. There are three Care Groups that also meet from this vibrant community. Currently, the **Stepping Stones ABF** is learning from a video series called: "Five Lies That Ruin Relationships." Feel free to stop in any time and check them out!
