Ministry in an Electronic Age
 Sunday, February 28
 6:00 pm, church gym

Enjoy a half hour dessert social (bring something to share—either a homemade goodie or something you picked up from the store on your way to church).

Then, meet some of the people involved in our church’s electronic ministry and hear some of the stories of how the Holy Spirit uses the internet for His purposes. In addition, we’ll be unveiling our completely new church website on the big screen.

BULLETIN INSERT
 February 21, 2010

Congratulations to Daniel and Jodi Soerens who were married February 12, 2010, in Fort Drum, NY.

Pastor Steele is looking for individuals who would like to help form a **ministry to military families** (all branches, whether deployed, non-deployed, or perspective) first within our own church and then reaching out to the community. We have identified five objectives: 1) so we know who our military families are, 2) we connect our military families to biblical truth in their area of need, 3) we network our military families to one another, 4) we can provide connections to military family services, and 5) we leverage our believing military community to reach area military families who do have a relationship with Jesus Christ. Step one is the formation of a Military Community Leadership Team. If you are interested in checking this out, please contact Cassie at 207-0897 or Pastor Steele at the church office.

Medical Missions will be the topic of a special presentation by Dr. Mark Knabel of the Aurora Sheboygan Clinic on Tuesday, March 9, in our gym. Dr. Knabel is a board-certified surgical dermatologist who travels to Mexico each year to provide free medical treatment. Sponsored by our church’s 55+ ministry, this program is open to all adults . . .even if you’re close to 55. We will start with a delicious potluck at 6:00 pm, followed by music, and then Dr. Knabel’s presentation, ending around 8:00 pm. We look forward to a large turnout and great potluck samplings. Please sign up on the bulletin board across from room 109. Thanks.

In the spiritual realm, the opposite of ignorance is not knowledge, it’s obedience. Far too often, however, we settle for ‘knowledge’ instead of looking for life change. Awana, Sunday School, and church time staff are encouraged to attend the upcoming **Ministry Enrichment Night, Appearances Can Be Deceiving**, on Thursday, February 25, at 7:00 pm in the North Fellowship Hall. Mingle with your co-workers, enjoy dessert, learn why you need to focus on the heart, preview the coming months, and troubleshoot any “growing pains”.

Reminder: the directory’s spring update will be distributed on March 7. Please contact Kay in the church office with any additions or corrections before February 28. Thank you.

To ensure that our church office and pastors are made aware of **hospitalizations** in the most error free and speedy manner, you and your family members are responsible for making those notifications directly.
